CULTIVATING A PATH FOR PEACE,” SEPTEMBER 11, AT WESTMINSTER COLLEGE**

(September 3, 2012) Salt Lake City – Author Kay Lindahl will speak about the value of preparing to listen and the art of becoming a listening presence, two qualities which are emphasized in her recent books. She will explore practices which enhance our capacity to listen, especially to those with opposing points of view, which leads to more peaceful ways to resolve our differences. “When we understand the power of sacred listening, we become aware that it is a key to communication in our global community.”
